If the camper wants to participate in the canoe trip at K · u · , be sure to pack a water bottle, # sunscreen, hat, and water shoes or shoes that can get wet or sandals with straps (no flip flops for the canoe trip).

O · : Camp Mishewah is not responsible for lost items or items left behind at the end of camp sessions. We strongly urge parents and campers to label their clothing and belongings, and check the 'lost and found' before departing on the last day. If you do forget something you will be responsible for making arrangements to pick up or pay for the return of any items left behind. Items will be held for 3 weeks after the end of each session, and then donated to local charities. We simply cannot hold onto unclaimed items after 3 weeks.

These items are not allowed at Camp Mishewah and will be confiscated if brought to camp:

- cigarettes, matches, lighters
- knives or weapons
- drugs or alcohol
- inappropriate reading material
- chewing gum
- clothing with inappropriate words or symbols
- perfumes or aerosol deodorants (irritants to those with allergies)

h · These devices have a way of getting lost or broken at camp, and sometimes even stolen. Young people spend a lot of time on electronic devices and with the easy access to wireless technology, we are finding it increasingly more difficult to find a balance in allowing some electronics and not others. Camp is one of the few places throughout the year where kids and youth can truly "unplug" and we have made a decision to honour and recognize Camp Mishewah as a "screen free" space.

Our staff has come to this decision to:

- promote socialization between campers
- remove the divide between "the haves and the have-nots" in each cabin
- reduce the stress associated with the damage to and theft of electronics
- give campers a much needed break from the world of technology
- allow campers to fully embrace the connections they make with other campers
- ensure that our campers are not exposed to inappropriate material.

If the camper needs a cell phone or other device for their trip to and from camp, they will be required to hand it in to us for safekeeping until camp is over, when it will be returned to them. Thank you for your cooperation in this matter.
